Remarks

If you are looking for a cookie cutter neighborhood this is not the place for you! Welcome to the Historic River District of Bradenton. Located less than a mile from our charming downtown with award winning restaurants and shops, and minutes from our crystal sand beaches of Anna Maria Island, the location of this newly renovated home is unbeatable. Nestled among the mature palm tree lined street you'll find this one of a kind stunning property. As you walk in the front door you'll immediately notice the custom designed trim work that carries throughout the home, as well as new herringbone-style wood-look tile delivering an abundance of character. Three bedrooms and two and a half baths allows for plenty of space for family and guests. As you make your way to the living room you'll notice the French doors that open up to the sparkling pool equipped with 2 lap swimming jets. There is NO HOA so bring your boat and toys, or use as a vacation rental! With NEW impact windows, roof, appliances, AC and water heater you can move right on in worry-free. CLEAN MOLD TEST AND 4-POINT INSPECTION PROVIDED!
